

Learning Leader - Montvale, NJ location

Do you enjoy tinkering with educational technology tools in your spare time? Do you use technology in meaningful ways with students? Are you the "go to" person for using technology in your district? Do you have experience with integrating STEM into your teaching? Do you enjoy traveling? If you answered "yes" to these questions then this position is for you.

The Learning Leader will facilitate classroom professional development workshops for teachers and administrators. Each day will be varied, but when you are not working with schools you will be spending time designing and developing content for workshops, remote/online training and elearning. If you want to make a larger impact and reach thousands of educators then join our team today!

Position Requirements:

- A degree from an accredited university in Education, or related field
- Advanced, or current pursuit of advanced degree preferred
- No less than seven (7) years of K-12 classroom teaching experience
- Experience writing and designing effective lesson plans
- Strong understanding of pedagogically sound planning and assessment frameworks.
- Understanding of cross-curricular application of standards
- Teaching experience/foundational experience with Common Core and/or State Standards
- Excellent written and verbal communication skills
- Strong experience with classroom technology including Google, Microsoft and other web-based productivity platforms and applications
- Flexibility to travel within the continental United States
- Experience with Coding, STEM and Project Based Learning
- Experience with Vyond and Rise Articulate a plus

Eduscape is committed to providing meaningful and purposeful professional development to classroom teachers and administrators across the country. Whether delivering a workshop, coaching and modeling, or presenting at a learning event; our Learning Leaders are passionate about working with educators to achieve student outcomes with the proper application of technology.

Please submit a cover letter and resume to info@eduscape.com to apply.
