## Our Organization

NJECC is a not for profit organization directed by a Board of Trustees. NJECC provides membership to school districts with a wide range of services to meet many of your educational technology needs. There are substantial discounts on hardware, software and services through our vendor partners. As a cooperative organization NJECC offers an opportunity for networking, a forum for finding solutions to problems and a platform for sharing successes.

## NJECC Mission

NJECC's mission is to create opportunities for the sharing of ideas, collaboration, networking, and professional development that support New Jersey educators in creating innovative and transformative learning environments using technology.
