**This is the best PD deal out there. With an OTIS license you'll get:**

**A vast PD library** – 900+ courses in 50+ categories with new live content broadcast weekly. There is something for every topic, every subject, and every learner!

**Expertise and flexibility** – access content anytime, anywhere, on any device. Plus, all content is created by the OTIS team who have over 125 years of combined classroom experience.

**Robust tools and analytics** – a license includes a host of tools that enable administrators to manage users, create groups, push out playlists, and collect & export analytics at any time.
