

# QuickShip Program

---

## Products

The VS QuickShip program has a wide range of products all available on the **EDData contract**- including chairs, desks, and storage – ready to ship in 10 business days or less. All products arrive fully assembled so they can be put to use immediately. **From May 1st until September 7th we will be offering NJECC member districts additional discounting on contract for any orders delivered from this program.**

The specific products showcased below are all included in the QuickShip program – more limited models are available.
