

camcor, inc. + datavideo®

Camcor proudly offers Datavideo's trusted lineup of video production solutions

Designed for creators who demand reliability, flexibility, and broadcast-quality results. From live streaming and switching to recording and monitoring, Datavideo products help you produce with confidence—whether you're in the studio, on location, or going live.

Backed by Camcor's expert support and industry experience, you get the right tools and the right guidance to bring your vision to life.

Education Production Bundles

Datavideo offers four comprehensive education production bundles designed for K-12 classrooms, featuring video equipment and curriculum for student productions.

Curriculum and Support

Each bundle includes a detailed teacher's guide and access to the Datavideo Academy, providing online courses and tutorial videos to enhance classroom learning and production skills.

Datavideo EPB-1640T Educator's Production Bundle

CAMCOR ITEM NO. 622900442
MFG. PART NO. EPB-1640T

Hands-on production for students is made possible and easy with this EPB-1640T Educator's Production Bundle from Datavideo. Have your students engage in multiple production roles as they capture vibrant 1080p video at award ceremonies, sporting events, graduation ceremonies, and more.

Datavideo EPB-3200A Educator's Production Bundle

CAMCOR ITEM NO. 622900451
MFG. PART NO. EPB-3200A

Designed for educators that want to engage their students and teach the fundamentals of live video production, the dDatavideo EPB-3200 K-12 Video Production Studio includes a mobile production switcher, two PTZ cameras, a PTZ controller, an HDMI to USB converter box, and freestanding teleprompters. The package packs neatly into the included cases, so it is quick to assemble and break down, and it takes a minimum amount of room to store.

Camcor offers expert guidance and knowledge to help customers like you select the most effective technology solutions and innovations for your school, office, or home environment.

Datavideo TP-900 Presentation Prompter

CAMCOR ITEM NO. 622900505
MFG. PART NO. TP-900

A professional teleprompter designed specifically for PTZ cameras and controlled via Ethernet by a production team instead of the talent. It features a streamlined design that features a 15" monitor with integrated dvPrompter Plus app, 70/30 beamsplitter glass, a cloth hood with frame, and a camera mounting rail, making it ideal for conferencing, government, corporate, education, and broadcast studios.

Datavideo 4K Auto Tracking PTZ Camera

CAMCOR ITEM NO. 622900525
MFG. PART NO. PTC-285W

Introducing the Datavideo PTC-285, a 4K50/60p auto-tracking PTZ camera with 12x optical zoom, designed for seamless control. The PTC-285 can be easily managed via the traditional RS-422 serial port or remotely through IP using DVIP (Datavideo's proprietary protocol) or Sony VISCA over IP. This cutting-edge 4K camera series supports dual streaming outputs for versatile A/V market applications, allowing effortless streaming to platforms like Facebook (RTMP), YouTube, and dvCloud.

Ikan's Aluminum Tripod, Dolly, Flat Base, & Quick Release Plate for PTZ Cameras

The E-Image GA752-PTZ Tripod System is the perfect solution for mounting your PTZ camera on a stable and portable tripod platform that eliminates wobbling or vibration. The bundle includes a two-stage aluminum tripod that can support up to 66 lbs, a 75mm Flat Base, a PTZ camera quick-release-plate, & a dolly with wheels. This package makes for an ideal solution for your PTZ camera.

Ikan's MYLO Mini Bi-color 2-point LED Light Kit

CAMCOR ITEM NO. 478000357
MFG. PART NO. MB4-2PT-KIT

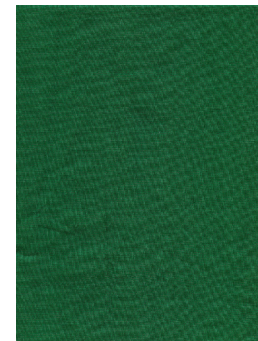

Ikan's Mylo Mini MB4 LED light travel kit offers a wide variety of lighting options within a compact package for cinematographers. The high 95 CRI LED's provide high color fidelity with a consistent brightness from/between 10-100%. The 50-degree beam angle makes it easy to light a large area with just one fixture. The Mylo MB4 Bi-Color LED light is equivalent to a 300watt incandescent light.

Rode WIPRO Wireless Pro Wireless Microphone System

CAMCOR ITEM NO. 413000065
MFG. PART NO. WIPRO

The Wireless PRO is the ultimate wireless microphone, packed full of powerful features that offer incredible flexibility for recording pristine audio for your content. Never lose a take with 32-bit float on-board recording, keep all your video and audio flawlessly synchronised with timecode, and capture incredible-sounding content effortlessly with intelligent GainAssist technology. The Wireless PRO delivers everything you could possibly want from a compact wireless microphone system, and much more.

Promaster Solid Backdrop - 6' x 10' - Chromakey Green

CAMCOR ITEM NO. 345017855
MFG. PART NO. 9367

ProMaster solid color backdrops are made from a polyester/cotton blend, which makes these backdrops more opaque and less subject to wrinkles. They are perfect for any studio setup. The backdrops include a handy storage bag made from the same backdrop material for quick identification.
